J&J

Barossa Valley Shiraz

J&J Vintners Vineyard is located near Tanunda in Australia's premier wine region, the Barossa Valley. Shiraz from our vineyard established in 1998, on heavy biscay soil, was harvested 13th March 2007. Basket pressing and maturation for 20 months in seasoned oak hogsheads has produced an outstanding full bodied wine with rich, intense characters of plum, dark fruits and coffee beans. Superb!

Excellent drinking now or cellar 5-8 years.
